## 51 Terraced Fields of Mukainada in Yawatahama

These terraced fields built on stone steps stretching across the mountain slope grow various kinds of citrus fruits, offering a stunning contrast between the deliciously fragrant white flowers of May and the orange clusters of ripe tangerines in autumn against the azure skies and seas and white stone walls. At Yawatahama Minatto, you'll find a shop selling local specialties, rice bowls made with fresh seafood, and barbecue, as well as a carefully-tended lawn and boardwalk where you can take a stroll and benches where you can sit and take in the views.
