59 Tranquil Views of the Seto Inland Sea from a Remote Island

The view from atop a small hill on a remote island in the bay of the tranquil Seto Inland Sea is one that will wash away any weariness from your journey. Located in Shimanami, the town of Kamijima sits on an island unconnected by any bridges, meaning you'll need to take a ferry. With hot springs, accommodations, meals, and other facilities, this remote island resort has everything you need for an extraordinary and luxurious experience.
