# 1 What a Thrill! Incredible Whirlpools Viewed From 45 Meters Above the Sea

From the 450 meter-long walkway built in the girder space of Onaruto Bridge, experience Naruto Strait, home to one of the three largest currents in the world and some of the largest whirlpools in the world. Four glass floors along the way offering views of the whirlpools below from a height of 45 meters, this thrill-packed spot makes you feel as though you'll be sucked into the sea. There are also viewing boats available that let you see these powerful whirlpools right before your eyes.
