21 Takegashima Marine Park Underwater Fantasy Cruise

Behold coral and colorful tropical fish dwelling in the crystal-clear waters of Takegashima Marine Park. Have a seat as you peer beneath the sea in the observation deck at the bottom of the ship, where a boatman provides commentary for an unforgettable experience. The park also offers a wealth of marine activities such as stand-up paddleboarding, sea kayaking, and snorkeling, letting you take in the views while having a blast.
