24 The Sprawling Pacific Ocean and Blue Skies A Restaurant Floating on the Sea

Discover spectacular views of blue skies and the majestic Pacific Ocean sprawling before your eyes, then the breathtaking coastline of Kotogahama Matsubara to the east at Sea House, a restaurant built to protrude from the sea so that you'll feel as though you're floating over the ocean. The interior is designed so you can enjoy the scenery in leisure while eating cuisine made with fresh local produce.
