## 31 Magnificent Uryu Falls in Nakatsu Valley

There's beauty to behold in this valley year-round, with bright green in springtime and red leaves in fall. Stroll along the pathways lining the valley and you will come across Uryu Falls. Get ready to be overwhelmed with water gushing in all directions and a drop of 20 meters. The pathways let you get close to the river, and Yunomori situated at the entrance of Nakatsu Valley welcomes visitors with accommodations and hot springs. Canyoning tour is available at the upper reaches of Nakatsu River. If you want to fully enjoy the "Niyodo Blue" you'd better sign up for the tour.
