## 60 Behold the Beauty of the Hiuchi Nada Archipelago and the Ishizuchi Mountains

Behold spectacular views of the tranquil Seto Inland Sea and sprawling Dozen Plains against a backdrop of the Ishizuchi Mountains, its main peak of Mt. Ishizuchi the tallest in western Japan. The hotel here is designed for the view, with large glass windows and nothing blocking the scenery, so you can not only enjoy these breathtaking landscapes outdoors, but also as you soak in the hot springs or have a meal at the restaurant.
