Takamatsu, Kagawa

Special Place of Scenic Ritsurin Garden

A large feudal garden representative of Japan, this garden features ponds and artificial hills arranged exquisitely across a vast 75-hectare site with Mt. Shiun as its backdrop. Enjoy the true pleasure of this garden with all kinds of different views and atmospheres unfolding as you make your way down the garden paths. Best of all is Kikugetsu-Tei, where you can enjoy views of Lake Nanko along with sweets and matcha tea.
