

## 80 Takamatsu, Kagawa **Sunset Seen from Shishi-no-Reigan, Yashima**

Take in views of Sunport Takamatsu, the Takamatsu cityscape, Goshikidai Highland, and Ogijima and Megijima Islands as well as other islands floating in the Seto Inland Sea. Enjoy superb views and a mood of nostalgia created by the silhouette of the islands lit by the setting sun.

Famous as a battleground during the Genpei War, Yashima has tour guides and a selection of local Sanuki specialties found only here that are bound to entertain visitors. This place aims to further develop its facilities to serve as a hub and symbol of the area in the future.
